Leadership Savannah began in 1961 to inform future leaders in the Savannah area of issues confronting the community on a variety of subjects. This program provides the opportunity for its participants to develop an awareness of community successes and challenges and the knowledge to help overcome obstacles in the future.

Applications for the 2014-2015 class are now being accepted. Go to www.leadershipsavannah.org and click on apply to begin the application process. Applications will be accepted through June 27 at midnight.
